

# Gene Pitney, Town Without Pity

When you're young and so and love as we  
And bewildered by the world we see  
Why do people hurt us so  
Only those in love would know  
What a Town Without Pity can do..

If we stop to gaze upon a star  
People talk about how bad we are...  
Ours is not an easy age  
We're like tigers in a cage  
What a Town Without Pity can do..

The young have problems Many problems  
We need an understanding heart..  
Why don't they help us, try to help us  
Before this clay and granite planet falls apart...

Take these eager lips and hold me fast..  
I'm afraid this kind of joy can't last  
How can we keep love alive  
How can anything survive  
When these little minds tear you in two..  
What a town Without Pity can do..

How can we keep love alive  
How can anything survive  
When these little minds tear you in two..  
What a town Without Pity can do..
