

Gene Simmons, Asshole

(Verse)

You think that you're so cool
That you're nobody's fool
But you've got a personality (Yeah)
Just like a bucket full of pee

(Chorus)

How does it feel to be a real... Asshole
You're such a creep
You look like a sheep (ba-baah)... Asshole

(Verse)

You know you've got no shame
And you've got such a stupid name
And one day you'll finally shut your trap
'Cause you're the cream of the crap

(Chorus)

Asshole...
Asshole...
You're such an asshole...

(Break)

You always look like an idiot
This may be news for you
You are the king of all stupidity
Maybe I'm an asshole too
Maybe I'm an asshole too
Just like you

(Guitar Solo)

You're such an asshole...

(Chorus X2)

You're such an asshole...
Maybe I'm an asshole too
Maybe I'm an asshole too
