

# Gene Simmons, Firestarter

(Prodigy)

Fire...  
(Hey, hey, hey)

[Verse]  
I'm the trouble starter, punky instigator  
I'm the fear addicted, danger illustrated (hey, hey, hey)

[Chorus]  
I'm a firestarter, twisted firestarter (hey, hey, hey)  
You're the firestarter, twisted firestarter (hey, hey, hey)  
I'm a firestarter, twisted firestarter...

[Verse]  
I'm the bitch you hated, filth infatuated  
Yeah, I'm the pain you tasted, feel intoxicated (hey, hey, hey)

[Chorus]  
I'm a firestarter, twisted firestarter (hey, hey, hey)  
You're the firestarter, twisted firestarter (hey, hey, hey)

[Break]

Fire...  
(Hey, hey, hey)

[Verse]  
I'm the self inflicted, my detonator  
Yeah, I'm the one infected, twisted animator (hey, hey, hey)

[Chorus]  
I'm a firestarter, twisted firestarter (hey, hey, hey)  
You're the firestarter, twisted firestarter (hey, hey, hey)  
I'm a firestarter, twisted firestarter (yeah...)

(Hey, hey, hey)

Fire... (hey, hey, hey)  
I'm a firestarter, twisted firestarter  
I'm a firestarter, twisted firestarter...
