

# Gene Simmons, Radioactive

You're my food, you're my water, you've got to be the devil's daughter  
Can't get near, can't get far, you've got the power, but know you are  
She's radioactive (radioactive), she's very selective (radioactive)  
She's what I need, she's so pretty indeed, she wants it all the time

And I'm crazy, kinda hazy, I'm not sorry, gonna worry  
I'm not lonely, she's my only, she's got me eatin' out of her hands

Chorus:

She's radioactive (radioactive), she's very selective (radioactive)  
She's what I need, she's so pretty indeed, I've gotta make her mine

chorus repeats 2x

She's my little baby (radioactive), she's such a lady (radioactive)  
She knows how I feel, she knows that it's real, she wants it all the time

chorus

She's my little baby (radioactive), she's such a lady (radioactive)  
She knows how I feel, she knows that it's real, she wants it all the time
