

Gene Simmons, See You Tonite

I know it's around, I don't have any doubts about that night
I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonite
But I know it's around, I don't have any doubts about that night

I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonite, outside
See you tonite, outside, see you tonite
(repeats 3x)
