

# Gene Vincent, Yes I Love You Baby

Yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Wop, wop, wop-wop-wop  
Well you say that you love me  
But you know it's not true  
Anything for you baby, I would do  
My love, my life, I'd give you my all  
If for only me you'd fall..all...all  
Yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Wop, wop, wop-wop-wop (Yeah)

Well, yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Wop, wop, wop-wop-wop  
Well your lips, your eyes set my soul a-flame  
Since I meet you darlin' I not-ot the same  
Walkin' in circles, been up all night  
Ya know for me that your just right  
Yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Wop, wop, wop-wop-wop

Well, yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Wop, wop, wop-wop-wop  
Well your lips, your eyes set my soul a-flame  
Since I meet you darlin' I not-ot the same  
Walkin' in circles, been up all night  
Ya know for me that your just right  
Yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Yes I love baby, well-ah, I really love ya  
Wop, wop, wop-wop-wop
