

Genesis, Hearts On Fire

In life there are those decisions
Which direction you should take
It's only later that you realize
All those simple mistakes you make
I don't like being alone
Don't wanna be by myself
But since you've gone that's all I can think of
I can't think of nothing else

Oh, I said I'm sorry, soon I give it up
You know I'm sorry, soon I give it up
You know I'm sorry, soon I give it up
Cos my heart's on fire
My heart's on fire

Woh can you take me there
Oh, come back and take me there
Cos I need to be with you
Be there with you

Yes there is no denying
Our love is not untrue
I know I've lied so many times before
But deep down there's only you
I need you here by my side
Together our love could grow
But first you have to believe that I want you
More than you'll ever know

Woh, I said I'm sorry and I give it up (give it up)
You know I'm sorry, soon I give it up (give it up)
You know I'm sorry, soon I give it up (give it up)
Cos my heart's on fire
My heart's on fire

Woh can you take me there
Oh, come back and take me there
Cos I need to be with you
Be there with you

(give it up, give it up, give it up...)

With it we take our chances
What will be will be
But I don't care what the people may think
Just as long as you're here with me
Don't like being alone
Don't wanna be by myself
And since you've gone, well that's all I can think of
I can't think of nothing else

Woh, I said I'm sorry and I give it up (give it up)
You know I'm sorry soon I give it up (give it up)
You know I'm sorry soon I give it up
Cos my heart's on fire
My heart's on fire

Woh can you take me there
Oh, come back and take me there
Cos I need to be with you
Be there with you
You, be there with you

Hearts on fire

Hearts on fire
Hearts on fire
My heart's on fire
Hearts on fire, hearts on fire...
