

# Genesis, Leck Mich Am A, B, Zeh

Ah, don't you know, I've been on my own  
But I'm coming home  
And I'd like you to be there  
I feel a little cold in the air  
And you're not anywhere  
You're just another face, I used to know  
But there was still a chance to hold on to our love  
Cos I gave you everything, everything I had  
Like it or not  
You have done it this time  
And like it or not, I've had enough  
Like it or not  
There's a lot I could say  
Cos I've got a lot on my mind  
It won't be very long  
You're just another face  
That I once used to know  
And I gave you everything  
But what have I got to show  
Like it or not  
You are out on the street  
And like it or not  
That's where you'll stay  
Like it or not  
There's another thing darling  
Well I just could not stand another day  
Cos if you want to know  
There is still a chance to hold on to our love  
Cos I gave you everything  
Everything I had - everything I had  
It's been a long, been a long long time  
Since I held anybody  
Since I loved anyone  
It's been a long, been a long long time  
But if I'm right or if I'm wrong  
Does it matter anyway
