

# Genesis, Uncertain Weather

A day of uncertain weather  
Captured in a frame forever  
A face in a faded photograph

He must have had a life  
Maybe with a family  
People who meant everything to him

A sinner, a saint, a soldier  
Caught up in a war he never  
Had a chance to start or build a life

All gone long ago  
Leaving no trace  
Disappearing like smoke in the wind  
To become just a face without a name  
Leaving no trace  
Disappearing like smoke in the wind

Hopes and fears important plans  
Forgotten memories  
Footsteps fading in the sand, ooh  
Schemes and dreams small and grand  
Nothing left to see  
Footsteps fading in the sand, ooh

Someone who cast a shadow  
Maybe just a lazy man  
Doesn't make much difference now it's true

A day of uncertain weather  
Captured in a frame forever  
A face in a faded photograph

All gone long ago  
Leaving no trace  
Disappearing like smoke in the wind  
To become just a face without a name  
One more to add to the total  
Of those never heard of again

Yes he's gone  
Just a face without a name  
Leaving no trace  
Disappearing like smoke in the wind  
All gone  
Just a face without a name  
Leaving no trace  
Disappearing like smoke in the wind...
