## Gentle Giant, Nothing At All

Now she sits by the riverside Watching the waters glide by, With a sigh And the things she put faith in Are ripples just waving her by With a sigh

She sees lovers pass by with much more than a kiss Ah this - little girl who had everything finds she's nothing at all

Now the wind seems so cold Seems all old as it laughs at her fears And her tears And as ducks swim away from her Visions of past love appear In her tears

She sees love in his face as she tells him to go, And so - here's a girl who had everything now she's Nothing at all

What could she do if she saw him now; Now that he's gone she's losing If she could see what she's seeing now For sure she's more than just choosing

Now she sits by the riverside Watching the waters glide by, With a sigh And the things she put faith in Are ripples just waving her by, With a sigh

She sees lovers pass by with much more than a kiss Ah this - little girl who had everything finds She's nothing at all
