

Gentleman, Fight For No Reason

Hey you, Mr Frenemy
Tan ina your place tan there with your morality
Got to live it up come make we drink a little hennessy
Jesus turn water into wine and make many see
We come ya to stay give me my remedy
From melbourne to rome right back down to tennessee
Boom sound a play drum pan pon the cemeteries
Bun out the labba mouth bun out the enemies
Now we steppin up come make we sing again

Fight you a fight you a fight fi no reason
Can't get we out we juggle right through the season
Empty barrel a make noise
Never gonna cut down our voice
again again

Fight you a fight you a fight fi no reason
Can t get we out we juggle right through the season
Empty barrel a make noise
Never gonna cut down our voice

All when the time tough and things seem rough
Still a make moves nah give it up
Done pay me dues dem can't rig it up
Player haters will lose must bite the dust
Dem a work with division we got the plus
See dem pon a mission and dem greed and lust
No weapon that form shall rise against us
My shoulder to the wheel I stay robust
Keeping my vision I stay focused
You have good people and you have locos
Low dem and dem one bag a hocus pocus
Member me tell dem in the father me trust
mi go so den

Fight you a fight you a fight fi no reason
Can't get we out we juggle right through the season
Empty barrel a make noise
Never gonna cut down our voice
again again

Fight you a fight you a fight fi no reason
Can't get we out we juggle right through the season
Empty barrel a make noise
Never gonna cut down our voice
