

# Gentleman, Jah Only

Been there and done that  
Been there through the combat  
Think we did gone but we come back  
Seh man a warrior  
Well then

When me look at obstacles ina me life  
Two edges sour they try to cut me like a knife  
Man nuh run things - jah only  
So me nuh worry nah nah nah  
When me look pon all the darkness in a life  
More time me have to wonder how we make it out alive  
Man nuh run things - jah only  
And me nuh worry nah nah nah

God alone a put me higher deh  
So me always send a prayer deh  
And me still a bun a fire deh  
No me nuh appear upon dem flyer deh

I used to sit down and a waste my energy and nuff time me gone astray  
No more negativity in a me life badmind people stay away  
Friends and family around me  
Member seh good people nuh lonely  
Yes it is a blessing it a found me - in a me life and  
Let me know if unu feel dis ya one

When me look at obstacles ina me life  
Two edges sour they try to cut me like a knife  
Man nuh run things - jah only  
So me nuh worry nah nah nah  
When me look pon all the darkness in a life  
More time me have to wonder how we make it out alive  
Man nuh run things - jah only  
And me nuh worry nah nah nah

God alone a put me higher deh  
so me always send a prayer deh  
And me still a bun a fire deh  
no me nuh appear upon dem flyer deh

We can't give in now is the time to live it up  
Buried your dream now is the time to dig it up  
Many a times when people make it in life  
It's just the very moment when they plan to give it up  
There are always boundaries when u reaching for the top  
Necessity will always try to hold u back  
But when you think about those trials that you got  
OK that's a wrap  
Well me go so den

When me look at obstacles ina me life  
Two edges sour they try to cut me like a knife  
Man nuh run things - jah only  
So me nuh worry nah nah nah  
When me look pon all the darkness in a life  
More time me have to wonder how we make it out a life  
Man nuh run things - jah only  
and me nuh worry nah nah nah

God alone a put me higher deh  
So me always send a prayer deh  
And me still a bun a fire deh  
No me nuh appear upon dem flyer deh
