

Geoff Moore And The Distance, If You Could See

all of my life
i have dreamed
that somehow love would find me
now i can't believe you're standing here

If beauty is all
in the eye
of the beholder then i
wish you could see
the love for you that lives in me

(Chorus)
And you would know you have my heart
If you could see, what i see
that a treasure's what you are
if you could see, what i see
Created to be
the only one for me
If you could see, what i see

I know there are days
when you feel
so much less than ideal
wondering what i see in you

It's all of the light
and the grace
your belief in me drives me to say
that i promise you
a faithful love, forever true

(Chorus)

if you could see
then you'd understand
why i fall down to my knees
and i pray my love
will be worthy of
the one who gave his life
so our love could be

if you could see
what i see(x2)

You're created to be
The perfect one for me
If you could see
What i see

if beauty is all
in the eye
of the beholder then i
am beholding...
true beauty
