

# Geoff Moore And The Distance, New Americans

There are seven of red and there are six of white  
It's the blood and truth of the stars and stripes  
Through a perilous night with our banner waved  
In the land of the free, in the home of the brave

Late Twentieth century with "Generation X";  
Never has there been a group more patriotic-less  
As the bells of freedom ring in the name of liberty  
We run down each other chasing the American dream  
Who will help to lead the way back to what made our land so great?  
Is there anyone who will say, "This is God's Country?"

Calling the New Americans  
Ready to make a stand,  
Ready to take back the land  
Calling the New Americans  
Rich and poor, young and old  
Have been bought and can't be sold

It's from coast to coast like a growing storm  
There's an army of the young living above the norm  
Four words that you will find on a dollar bill  
They are more than an empty slogan but the passion by which we live  
So come join us in the fight and run to right

Calling the New Americans  
Ready to make a stand,  
Ready to take back the land  
Calling the New Americans  
Rich and poor, young and old,  
Have been bought and can't be sold  
Calling the New Americans  
Red, yellow, black and white;  
Who'll never ever give up the fight  
Calling the New Americans  
We all know the hour's late, this ain't no time to hesitate

My country 'tis of thee, sweet land of liberty  
Of thee, I sing  
Land where my fathers died, land of the pilgrims pride  
Of thee, I sing  
It's time we hit our knees and cry out humbly  
Jesus, Heal Us!

We are the New Americans  
Ready to take a stand,  
Ready to take back the land  
We are the New Americans  
Rich and poor, young and old  
Have been bought and can't be sold  
We are the New Americans  
Red, yellow, black and white,  
Who'll never ever give up the fight  
We are the New Americans  
Who vote and buy it, make the choice  
And speak for those without a voice

We are the New Americans  
Who vote and buy it, make the choice  
And speak for those without a voice

Calling the New Americans!

Are You Out There?
