

Geoff Moore And The Distance, No Need To Exp

Verse One

It Was An Open And Shut Case
I Was Guilty As Sin
There Was Blood On My Hands
I Was Waiting To Be Condemned

You Get What You Pay For
And You Pay For What You Do
How Could The Judge Be Talking To Me
When He Looked Down And Said
"You're Free"

Chorus

And There Is No Need To Explain
And There Is Nothing You Could Ever Say
To Change The Way I Feel For You

Verse Two

How Can This Be True
What Kind Of Place Is This
Where The Guilty Are Forgiven
Where The Blind Can See
And Losers Win
And Slaves Go Free And Where

Chorus

There Is No Need To Explain
And There Is Nothing We Could Ever Say
To Change The Way He Feels
Where There Are Debts That Have Been Paid
And There's A Stone That Has Been Rolled Away
To Say There Is No Need

Bridge

Hurry, Hurry
Drop Your Stuff, Grab Your Friends
Take Everyone We Can
Together, We'll Find Mercy For All
We'll Walk, We'll Run, We'll Crawl

Unconditional, There's A Word That Seems So Foreign
Unbelievable, But Undeniable, Inconceivable
And Yet So True

Chorus

There Is No Need To Explain
And There Is Nothing We Could Ever Say
To Change The Way He Feels
And There Are Debts That Have Been Paid
And There's A Rolled Stone At An Empty Grave
To Say There Is No Need
No Need To Explain.
