

Geoff Moore And The Distance, Out Here

(Verse one)

I am high above the timberline
Where the sky and mountains meet
Up where the air is very thin
Somehow it's easier to breathe
Like the wind in the canyon echoing
The spirit is calling me whispering

(Chorus)

Out here
In the wild and the wonder
Where the lightning and the thunder
Serve a great awakening
Out here

Where the one who did the making
Is still in me creating
A place where I am free
I can hear
I can breathe
I believe
Out here

(Verse two)

I am knee deep in the chaos
Of another crazy day
It's me and all the other rats
Just trying to stay in the race
I close my eyes and I try listening
And I find the spirit is still calling me

(Chorus 2x)

Out here
In the wild and the wonder
Where the lightning and the thunder
Serve a great awakening
Out here

Where the one who did the making
Is still in me creating
A place where I am free
I can hear
I can breathe
I believe
Out here
