

# Geoff Moore & The Distance, If You Could See W

all of my life  
i have dreamed  
that somehow love would find me  
now i can't believe you're standing here

If beauty is all  
in the eye  
of the beholder then i  
wish you could see  
the love for you that lives in me

(Chorus)  
And you would know you have my heart  
If you could see, what i see  
that a treasure's what you are  
if you could see, what i see  
Created to be  
the only one for me  
If you could see, what i see

I know there are days  
when you feel  
so much less than ideal  
wondering what i see in you

It's all of the light  
and the grace  
your belief in me drives me to say  
that i promise you  
a faithful love, forever true

(Chorus)

if you could see  
then you'd understand  
why i fall down to my knees  
and i pray my love  
will be worthy of  
the one who gave his life  
so our love could be

if you could see  
what i see(x2)

You're created to be  
The perfect one for me  
If you could see  
What i see

if beauty is all  
in the eye  
of the beholder then i  
am beholding...  
true beauty
