This is not your breakdown,  
woman raise your head.  
This is not your madness  
everybody feels this.  
Woman raise your head.

With every feeling in your soul  
and every loss of your control,  
you can't sleep at night  
'cause sleeping sometimes drives the pain away.

And no matter where we stand,  
our beginning has no end.  
'Cause everyday we live  
we make it just a little better.

This is not our game.  
We play it just the same.  
With every move we make  
we make it better.  
Everything's the same  
nothing slips away.  
With every move we make  
we make it better.

Everything that you can give  
is the very thing that I would take from you.  
I'd take from you.  
With every reason why you live  
is every reason I would die for you.  
I'd die for you.

This is not a game.  
We play it just the same.  
With every move we make  
we make it better.

Everything's the same  
nothing slips away.  
With every move we make  
we make it just a little better.
