

George Ducas, Hello Cruel World

I lost another one and only but I'll move on and do my best
You'll find me where it's sad and lonely in case you need my new address
I'll be here at 13-13 Heartbreak Avenue
Hello cruel world I'm movin' in hello cruel world my new best friend
Where love is tough and times're hard hello cruel world goodbye sweetheart

I'll be real lucky if I make it your mem'ry still tears me apart
The only way I can escape it is down the trail of broken hearts
It's a lonesome stretch of highway a long long way from home
Hello cruel world...
[guitar - fiddle]
Hello cruel world...
Hello cruel world goodbye sweetheart
