

# George Ducas, In No Time At All

In no time at all I'll be over you come any day now I'll be good as new  
In no time at all your memory will fade the final tear will fall in no time at all

I'm sure glad when midnight rolls around  
Cause that's one less day you've got to get me down  
And I know this won't last I'll leave behind the past  
Like a clock up on the wall  
In no time at all...

[ fiddle ]

One by one the minutes tick away next thing I know hours turn to days  
But that don't bother me cause you're about to be  
Just a name I can't recall  
In no time at all...  
The final tear will fall in no time at all in no time at all
