

George Ducas, Shame On Me

Cruel cruel you but shame on me
Cause only a fool like me twice believes
Cruel cruel you but shame on me

I trusted you you let me down I turn right back you can't be found
You're in his arms now I'm your clown again
Cruel cruel you...

(guitar)

Fooled me once you fooled me twice you rolled me honey like tumblin' dice
I found out you ain't so nice at all

Cruel cruel you...

(Shame on me cruel cruel you) cruel cruel you but shame on me
