

# George Ezra, Don't Matter Now

Sometimes you need to be alone  
It don't matter now  
Shut the door, unplug the phone  
It don't matter now  
Speake in a language they don't know  
It don't matter now

Well I don't think about that stuff  
No, I don't think about stuff  
It don't matter now

Build a castle out of sand  
It don't matter now  
Where it won't last and it won't stand  
It don't matter now  
Witch a suitcase in your hand  
It don't matter now

Well I don't think about that stuff  
No, I don't think about stuff  
It don't matter now

Batman running your hometown  
Serve you well  
Run through the crowd  
It don't matter now  
Change your name  
You won't be found  
It don't matter now

Well I don't think about that stuff  
No, I don't think about stuff  
It don't matter now
