

George Ezra, Green Green Grass

Well she moves like lightning
And she counts to three
And she turns out all the lights
And says she's coming for me

Now put your hands up
This is a heist
And there's no one in here living
Gonna make it out alive

Loaded up when the sun comes down
Getaway car for two young lovers
Me and the girl straight out of town
Over the hills and undercover

She said
Green, green grass
Blue, blue sky
You better throw a party
On the day that I die

Green, green grass
Blue, blue sky
You better throw a party
On the day that I die

We go together
Adam and Eve
But the girl is so much more
Than just another apple thief

Yeah, she's a genius (genius)
Watch and learn
How she sets the world on fire
Just to watch the sucker burn

Loaded up when the sun comes down
Getaway car for two young lovers
Me and the girl straight out of town
Over the hills and undercover

She said
Green, green grass
Blue, blue sky
You better throw a party
On the day that I die

Green, green grass
Blue, blue sky
You better throw a party
On the day that I die

Throw a party, throw a party yeah
Throw a party, on the day that I die
Throw a party, throw a party babe
Throw a party on the day that I die

Loaded up when the sun comes down
Getaway car for two young lovers
Me and the girl straight out of town
Over the hills and undercover

She said
Green, green grass

Blue, blue sky
You better throw a party
On the day that I die
Green, green grass
Blue, blue sky
You better throw a party
On the day that I die

Green, green grass
Blue, blue sky
You better throw a party
On the day that I die

Green, green grass
Blue, blue sky
You better throw a party
On the day that I die
