

George Gershwin, Someone To Watch Over Me

There's a saying old says that love is blind
Still we're often told "seek and ye shall find"
So I'm going to seek a certain girl/lad I've had in mind
Looking everywhere, haven't found her yet
She's the big affair I cannot forget
Only girl/man I ever think of with regret

I'd like to add her/him initials to my monogram
Tell me where's the shepherd for this lost lamb

There's a somebody I'm longing to see
I hope that she/he turns out to be
Someone to watch over me

I'm a little lamb who's lost in a wood
I know I could always be good
To one who'll watch over me

Although I/he may not be the man some girls think of
As handsome to my heart
She/he carries the key

Won't you tell her/him please to put on some speed
Follow my lead, oh how I need
Someone to watch over me
Someone to watch over me
