

# George Harrison, I Don't Care Anymore

"OK here we go, fellas  
We got a B-side to make, ladies and gentlemen,  
we haven't got much time now so we better get  
right on with it"

I don't care anymore (more juice on the phones)  
And I'll kick down anybody's door  
To hold you in my arms once more  
I'd go anywhere  
Y'know I don't care

If your man should get uptight  
'Cause we've been alone for most of the night  
Now realize your needs alright  
Now get back up them stairs  
Y'know I don't care

There's a line I can draw  
That often leaves me wanting more  
But it's not so often that I feel so sure  
There's nothing I can do  
To stop me falling more in love with you

Now, It can't be so bad  
What you want that you do not have  
It's likely to upset your dad  
I don't think it's unfair  
Y'know I don't care  
Anymore  
And I'll kick down anybody's door  
To hold you in my arms once more  
I'd go anywhere  
Y'know I don't care
