

George Jones, A Day In The Life Of A Fool

A DAY IN THE LIFE OF A FOOL
WRITERS MIKE DEKLE, BYRON HILL

Morning comes and I'm alone ...
It's been a year since you've been gone
But it seems like yesterday ,you said goodbye
I'm finding ways to pass the time ,so i wont lose my mind
But my every waking hour I think of you
That's just a day in the life of a fool
The one who's holding out for only you
Knowing all along your love for me is true
It's just a day in the life of a fool
You would think I'd learn by now , to forget it all some how .
But my favorite memories were made with you
So every moment that I have , I live them in the past
Even though there's no way back to where we were
That's just a day in the life of a fool
The one who's holding out for only you
Knowing all along your love for me is true
It's just a day in the life of a fool
It's just a day in the life of a fool
