

# George Jones, A Picture Of Me Without You

G C G  
Imagine a world where no music was playing  
G D  
then think of a church where nobody's praying  
G G7 C G  
if you've ever looked up at a sky with no blue  
G D G  
then you've seen a picture of me without you

G  
C G  
Have you walked in a garden where nothing was growing  
G D  
or stood by a river where nothing was flowing  
G G7 C G  
if you've seen a red rose unknissed by the dew  
G D G G7  
then you've seen a picture of me without you

C G  
Can you picture Heaven with no angels singing  
G D  
or a quiet Sunday morning with no church bells ringing  
G G7 C G  
if you've watched as the heart of a child breaks in two  
G D G  
then you've seen a picture of me without you

G D C G  
then you've seen a picture of me without you
