AIN'T IT FUNNY WHAT A FOOL WILL DO

(George Jones - Johnny Mathis)

(Funny what a fool will do)

Here am I without your love again

Oh how many times have you walked out and walked back in

And I cry just like a baby after you

Oh oh it's funny what a fool will do

Here am I with empty arms again

Counting all the times that you walked out and walked back in

Still my heart goes right on wanting you

Oh oh it's funny what a fool will do

Oh oh it's funny what a fool will do
