

George Jones, Did I Ever Tell You

(Margie Singleton - Jerry Kennedy)

Album: Country Duets, Vol. 2

Well, honey did I ever tell you just how wonderful you are
Every time you hold me I'll be floatin' with the stars in the sky
I wonder why, I guess it's love, love, love, love.

Well, baby did I ever tell you that you're the greatest guy
Honey, are you with me when I look into your eyes
I wonder why, I wonder why, I guess it's love, love, love, love.

Well, now don't you know you send me where I never been before
I just want to let you know I love you so

Well, I like to hear you talkin' but you're wastin' your time
You're not playin' nothin' that I don't already know.

Well, baby did I ever tell you that you got what it takes
And every time you tuck me in your arms I shake
I wonder why, I wonder why, I guess it's love, love, love, love.

--- Instrumental ---

Well, now don't you know you send me where I never been before
I just want to let you know I love you so

Well, I like to hear you talkin' but you're wastin' your time
You're not playin' nothin' that I don't already know

Well, baby did I ever tell you that you got what it takes
And every time you tuck me in your arms I shake
I wonder why, I wonder why, I guess it's love, love, love, love.

I guess it's love, love, love, love.

I guess it's love, love, love, love...
