George Jones, If You Don't Somebody Else Will

(Johnny Mathis - Jimmy Fautheree - Geraldine Hamilton) Album: George Jones & Margie Singleton Duets Country Style

(Give me a little kiss will you honey) (If you don't somebody else will)

If you don't wanna kiss me say so baby Somebody else will, somebody somebody else will, somebody else will If you don't wanna kiss me say so baby Somebody else will, somebody Somebody else will kiss me better.

Well, I ain't a gonna beg you for your love anymore Ever since the first time I have done learned the score.

Well, I thought I had to have you Once with that's in the past Now I found out I'm free from you Yeah, I'm free at last.

If you don't wanna hold me say so baby Somebody else will, somebody Somebody else will, somebody else will If you don't wanna hold me say so baby Somebody else will, somebody somebody else will hold me better

--- Instrumental ---

If you don't wanna love me say so baby Somebody else will, somebody Somebody else will, somebody else will If you don't wanna love me say so baby Somebody else will, somebody Somebody else will soothe me better...
