

George Jones, Kansas City

We're goin' to Kansas City Kansas City here we come
We're goin' to Kansas City Kansas City here we come
They got some crazy little women and we're gonna get us one
We go on and stand on the corner of 12th street in line
We'll be standin' on the corner of 12th in line
With our Kansas City baby and our bottle of Kansas City wine
We might take a train we might take a plane
But if I have to walk I'm gonna get there just the same
We're goin' to Kansas City Kansas City here we come
They got some crazy little women and we're gonna get us one
Well if we don't have these women we know we're gonna die
Gotta find a brand new baby and that's the reason why
We're goin' to Kansas City Kansas City here we come
Got some crazy little fellows and we're a gonna get us one
[guitar]
Well if we don't have these women...
