

George Jones, Little Bitty Tear

When you said you were leaving tomorrow that today was our last day
I said there would be no sorrow then I'd laugh when you walked away
But a little bitty tear let me down spoiled my act as a clown
I had it made up not to make a frown oh but a little bitty tear let me down

I said I would laugh when you left me full of funny as you went out the door
That I'd have another was a waiting yes to wave goodbye as you go
But a little bitty tear let me down...

Everything went like I planned it and I really put on quite a show
And in my heart I felt I could stand it till you walked with your grip through the door
And a little bitty tear let me down...
A little bitty tear let me down a little bitty tear let me down
