

George Jones, On The Other Hand

ON THE OTHER HAND

WRITERS DON SCHLITZ, PAUL OVERSTREET

On one hand I count the reasons I could stay with you
And hold you close to me, all night long.

So many lover's games I could play with you
and on that hand I see no reason why it's wrong

Chorus:

But on the other hand, There's a golden band
To remind of someone who would not understand

On one hand I could stay and be your loving man

But the reason I must go is on the other hand

In your arms I feel the passion, I thought had died

When I looked into your eyes I found myself

When I first kissed your lips I felt so alive

I've got to hand it to you girl, you're something else

Repeat Chorus
