

George Jones, Take The Devil Out Of Me

TAKE THE DEVIL OUT OF ME

WRITER GEORGE JONES

Oh Jesus, please please take the devil outta me.
I've traveled far down this lonesome road
The devil he's got me bent down so low
I've just found out where I want to be
Oh Jesus, please please take the devil outta me.
I'm getting tired of living in sin, I'm tired of keeping the devil for my friend
I want so badly to be set free
Oh Jesus, please please take the devil outta me.
Now, I'm so happy, I'm free from sin, because I left my dear Savior in
My Jesus told me that I was free
Oh Jesus, thank you, You took the devil outta me.
I'm getting tired of living in sin
I'm tired of keeping the devil for my friend
I want so badly to be set free
Oh Jesus, please
Please take the devil outta me.
