Sorry I'm so late  
But I've been out a-walkin'  
Tryin' to find a way to tell you  
But I think you already know

I never want to hurt you  
Cause darlin' I still love you  
But things aren't like they used to be  
It's time for lettin' go

I wasn't out there lookin'  
But a month ago last Sunday  
I met someone just like you  
In line at the grocery store

We've been spendin' time together  
Yea, she knows all about you  
The truth is  
She can give me  
What you can't anymore

I know I promised you forever  
I never thought I'd see this day  
If only I could write the pages  
Our story wouldn't end this way

I feel so much better  
Knowing we could have this moment  
But it looks like  
It's may rain soon  
And it's getting' kinda late

Hon' I'll always bring you roses  
Every time I come to visit  
The caretaker's waiting  
They want to close the cave

I know I promised you forever  
I never thought I'd see this day  
If only I could write the pages  
Our story wouldn't end this way  
It wouldn't end this way
