

George Jones, Whatcha Gonna Do

WHATCHA GONNA DO

(Jimmy Newman)

'59 Newkeys Music

Whatcha gonna do when I said bye bye whatcha gonna do when you start to cry
Whatcha gonna do whatcha gonna do hoo hoo
Bet you never thought I'd walk away bet you never thought you would hear me say
Whatcha gonna do whatcha gonna do hoo hoo
Whatcha gonna do whatcha gonna do
Everybody else in this doggone town
Know you been a cheatin' and a runnin' around
Whatcha gonna do whatcha gonna do
Gonna miss me baby and I don't mean maybe baby whatcha gonna do
Whatcha gonna do when you roll along no one to call you on the telephone
Whatcha gonna do whatcha gonna do hoo hoo
I bet you never thought that little old steam turn out to be just bad bad dream
Whatcha gonna do whatcha gonna do hoo hoo
Whatcha gonna do whatcha gonna do...
Gonna miss me baby and I don't mean maybe baby whatcha gonna do
