

George Jones, Where Does A Little Tear Come From

Where does a little tear come from where does a little tear come from

It comes from a heart that's been broken apart

That's where a little tear comes from

Where does the broken heart come from where does the broken heart come from

It comes when you find that you love the roving kind

That's where the broken heart comes from

Where does the roving kind come from where does the roving kind come from

From the wild and restless river that wanders on forever

That's where the roving kind comes from

Where does the restless river come from where does the restless river come from

It comes from little tears that I shed through the years

That's where the restless river comes from

Where does a little tear come from
