George Jones, Wings Of A Dove

WINGS OF A DOVE (Bob Ferguson) '59 Husky Music

On the wings of a snow white dove he sends his pure sweet love A sign from above on the wings of a dove When troubles surround us and evils come The body grows weak and the spirits grow numb When these things beset us he doesn't forget us He sends down his love on the wings of a dove On the wings of a snow white dove... When Noah has drifted in the flood many days He searched for land in various ways Troubles he had some but wasn't forgotten He sent down his love on the wings of a dove On the wings of a snow white dove... On the wings of a dove on the wings of a dove
