

# George Jones, Yearning (To Kiss You)

(George Jones - E. Eddings)

Album: George Jones & Margie Singleton  
Duets Country Style

Yearning to be with the one I can't agree with  
Yearning to hear you call my name  
Like a fool I left you and now I can't forget you  
Please forgive me take me back again.

I'll never be the same without you darling  
You'll always be my everything  
Now I'm yearning to kiss you  
Oh, darling how I miss you  
Oh, how I wish you felt the same.

--- Instrumental ---

I'll never be the same without you darling  
You'll always be my everything  
Now I'm yearning to kiss you  
Oh, darling how I miss you  
I wish that we could make commance sweetheart...
