

George Jones, You Better Move On

You ask me to give up a hand of the girl I love
You tell me I'm not the man she's worthy of
But who are you to tell her who to love oh that's up to her yes and the Lord above
You better move on
Well I know you can buy her fancy clothes and diamond rings
But I believe she's happy with me without those things
Still you beg me to set her free but my friend that will never be
You better move on
I can't blame you for loving her but can't you understand she's my girl
And I'm never ever gonna let her go cause you know that I love her so
I think you'd better go now I'm gettin' mighty mad
You'd ask me to give up the only love I've ever had
Maybe I would oh but I love her so I'm never gonna let her go
You better move on you better move on you better move on
