

George Michael, Amazing

(George Michael/Jon Douglas)

I was mixed up when you came to me
Too broke to fix
Said 'daddy get you gone, I'm missing my baby'
Still missing my baby...

I was stitched up by the hands of fate
Said how you gonna make it on your own
If luck is a lady?
Maybe luck is a lady

I was going down for the third time
My heart was broken, I was not open to your suggestions
I had so many questions
That you just kissed away

Tell me, I guess that cupid was in disguise
The day you walked in and changed my life
I think it's amazing,
The way that love can set you free

So now I walk in the midday sun
I never thought that my saviour would come
I think it's amazing
I think it's amazing

I think you're amazing

You tried to save me from myself
Said 'Darling ,kiss as many as you want!
My love's still available
And I know you're insatiable'

We're like victims of the same disease
Look at your Big Bad Daddy, and your mom
And your momwas always acting crazy

I was going down for the third time
My heart was broken, I thought that loving you
was out of the question
Then I saw my reflection
Saying please don't let this go

Tell me, I guess that cupid was in disguise
The day you walked in and changed my life
I think it's amazing,
The way that love can set you free
So now I walk in the midday sun
I never thought that my saviour would come
I think it's amazing
I think you're amazing

Celebrate the love of the one you're with

Celebrate, this life with you baby
I think you should celebrate yeah
Don't put your love in chains baby
No no, walk in the midday sun
I thought I was dreaming
I think it's amazing
I think you're amazing

I said celebrate the love of the one you're with

As this life gets colder
And the devil inside
Tells you to give up...
