George Michael, I Remember You

I Remember You You're the one who made my dreams come true A few kisses ago

I remember you You're the one who said i love you too Didn't you know

I remember too A distant bell And stars that fell Like rain out of the blue

When my life is through And the angels ask me to recall The thrill of them all Then i will tell them i remember you

I remember you You're the one who made my dreams come true A few kisses ago

I remember you You're the one who said i love you too Didn't you know

I remember too A distant bell And stars that fell Like rain out of the blue I miss you darling

When my life is through And the angels ask me to recall The thrill of them all Then i will tell them i remember you
