

# George Morgan, To Make Love Sweeter For You

Well I'd like to send an orchid at the start of every day  
For flowers show more beauty than words could ever say  
You done so much for my world till all I wanna do  
Is try my best in every way to make love sweeter for you

A thousand special compliments I pay to you each day  
Your years would never tire of all the sweet things I would say  
Oh you never would be lonely honey you never would blue  
Cause my one ache in life would be to make love sweeter for you

You given me the faith that took to make my dreams come true  
That's why want to live and breathe my every breath for you  
You've cleared the windows of my life and now that I see through  
I'll do my best in every way to make love sweeter for you  
Oh I'll do my best in every way to make love sweeter for you
