

George Strait, Blue Is Not A Word

I've never once in my life met someone like you
I don't know what the word blue means
As long as I'm with you
You fill me so completely through everything you do
Blue is not a word at all
As long as I'm with you

Most of the time in my past
Blue is all I knew
But now that we're together
O' how I love you
I'm so glad I've found you
You've made my dreams come true
Blue is not a word at all
As long as I'm with you

Most of the time in my past
Blue is all I knew
But now that we're together
O' how I love you
I'm so glad I've found you
You've made my dreams come true
Blue is not a word at all
As long as I'm with you
