

George Strait, Cowboys Like Us

I take off time to time
With those crazy friends of mine
Head out on steel horses
With wheels and we ride

We burn up that road to old Mexico
Blend in with the desert
Just we amigos
And we roll

[Chorus:]
Cowboys like us sure do have fun
Racin' the wind, chasin' the sun
Take the long way around back to square one
Today we're just outlaws out on the run
There'll be no regrets, no worries and such
For cowboys like us

We talk about livin', babies, and women
All that we've lost and all we've been givin'
We sing about true love, lie about things we ain't done
Drink one more cold one, come mornin' get up
And we roll

[Chorus 2x]

Cowboys like us
