

George Strait, Don't Take Her She's All I Got

Well i said friend

(Refrain :)

Don't take her she's all I've got

Please don't take her love away from me

I'm beggin' you friend

don't take her she's all I got

She's everything in life i'll ever need

She is life

When I want to live

She's everything to me in life

That life can give

She's my water

When i need a drink

She's the first thought in my mind

Each time I try to think

Let me tell you now friend

(Refrain)

She's my fingers

When I want to feel

She's the only thing in life

To me that's really real

She is love

She's all the love I know

She could kiss the ground in the winter time

And make a flower grow

Let me tell you now friend

(Refrain)

Let me tell you now friend

Don't take her she's all I've got

Well i said friend

Don't take her she's all I got

I'm beggin you friend

Don't take her she's all I got

(fade out)
