

George Strait, Everytime You Throw Dirt On Her

I Guess You Think It's Fun
To Laugh at Her Expense
And Point out Each Mistake She Makes
In Front of All Your Friends
You Figure She'll Let it Go by
Cause She Loves You So
But, You Know

Every Time You Throw Dirt on Her
You Loose a Little Ground
She Slips a Little Farther Away
Each Time That You Put Her down
A Lady like That Can Come Here and Get
Somebody Who Knows What He's Found
Every Time You Throw Dirt on Her
You Loose a Little Ground

It's Hard to Bite My Lip
But, I Ain't Saying a Word
I Give You All the Rope to Hang Yourself
That You Deserve
You Might Be Ahead of Me in Her Heart Today
But, That's Okay

Every Time You Thorw Dirt on Her
You Loose a Little Ground
She Slips a Little Farther Away
Each Time That You Put Her down
A Lady like That Can Come Here and Get
Somebody Who Knows What He's Found
Every Time You Throw Dirt on Her
You Loose a Little Ground

Every Time You Throw Dirt on Her
You Loose a Little Ground
She Slips a Little Farther Away
Each Time That You Put Her down
A Lady like That Can Come Here and Get
Somebody Who Knows What He's Found
Every Time You Throw Dirt on Her
You Loose a Little Ground

Every Time You Throw Dirt on Her
You Loose a Little Ground
She Slips a Litle Farther Away
Each Time That You Put Her down
A Lady like That Can Come Here and Get
Somebody Who Knows What He's Found
Every Time You Throw Dirt on Her
You Loose a Little Ground
