George Strait, I'd Just As Soon Go

You say you want to talk it over Want to try again But there's no way of workin' out This love that we're not in

We could talk and talk and accomplish nothin' We've tried it all before It's time somebody did some walkin' And I can see the door

So I'd just as soon go I'd just as soon say goodbye There's no reason to prolong What we should just let die

And I'd just as soon stop I'd just as soon end the madness Knowin' what I know I'd just as soon go

It's not an easy thing to do Leavin' seldom ever is But stayin' just to see us through Just ain't no way to live

It's hard for you to understand But we're better off this way I can't fake it one more night Or take it one more day

So I'd just as soon go I'd just as soon say goodbye There's no reason to prolong What we should just let die

And I'd just as soon stop I'd just as soon end the madness Knowin' what I know I'd just as soon go

Knowin' what I know I'd just as soon go
