

George Strait, I'm All Behind You Now

Leavin' me behind is all behind you, now
It's plain to see that you're for good, over me
You've got a whole new life ahead of you
You did waht you lived to do
And I'm all behind you now

And I'll be behind you always
Should you every need a yesterday
Though it tears me up
To know deep down
I'm all behind you know

You're comin' back
My way will come, my way again
I'll never be what I was with you and me
And I don't know who or where your goin' to
But you did what you lived to do
And I'm all behind you now

And I'll be behind you always
Should you every need a yesterday
Though it tears me up
To know deep down
I'm all behind you know

Yeah, it tears me up to know deep down
I'm all behind you know...
