

# George Strait, Nobody In His Right Mind Would've

I burn with desire each time my heart fans the fire  
To that old flame that burns inside of me.  
She cried when I left her, now I cry to forget her.  
Oh, how foolish I was to ever want to leave.

[Chorus:]

'Cause nobody in his right mind would've left her.  
I had to be crazy to say goodbye.  
Nobody in his right mind would've left her.  
Even my heart was smart enough to stay behind.

I still carry her picture; I wish her well  
With the new love I know she's found by now.  
Each night finds me dreamin', each day I spend thinkin'  
How much I wish she was still around.

[Chorus]

Even my heart was smart enough to stay behind.
